

SNEVAM - Product Requirements Document (PRD)

Tagline: Wear Your Charm

Vision: A premium girls' accessories marketplace with an immersive 3D shopping experience.

Problem Statement

Traditional accessory websites rely on static images that fail to communicate quality, texture, and detail. Snevam solves this through a visually rich 3D commerce experience.

Goals

- Increase conversion rate
- Reduce returns
- Improve average order value
- Deliver a luxury shopping experience

Target Audience

Primary: Girls aged 16–35, fashion-conscious shoppers.

Secondary: Gift buyers, college students, young professionals.
